Please introduce yourself. Tell us about you, your background, your place, your people, and your role in your community. Feel free to share introductory text, resume or bio, photos, and/or videos.

Why are you interested in serving on the Board of Directors of Resource Media?

If you were appointed to the Board of Directors, how would you see yourself supporting the Equity Commitment?

Please tell us about your life's journey. What did you choose to study in school and why did you make that choice? Did real-life experience guide you? What life lessons have you learned from your family, your friends, your community, and your lived experiences? How did you put all of these life pieces together and where did it lead you?

Please tell us about any lived experience, work experience, training, talents, skills, knowledge and ideas that you would like to bring to the Board to support Resource Media's mission and goals.
